JSR Corporation

Notice of Change of Group Company President

JSR Corporation hereby announces that, at a Board of Directors meeting held today, the following leadership change at our group company was approved, effective July 1, 2025.

Reason for the Change

We are pleased to announce this leadership transition as part of our efforts to achieve short- and medium-term business objectives and to support long-term growth. The new appointment reflects our continued commitment to strengthening our management foundation and driving innovation across our operations.

About Techno UMG Corporation

Techno UMG Corporation is a global leader in ABS and alloy resin solutions. Leveraging advanced product design technology, the company develops materials with distinctive properties that combine the advantages of multiple polymers. We remain committed to contributing to global progress and creating social value by delivering high-quality products to users worldwide and actively promoting their application across industries.
