## Notice of Change of President for an Important Group Company

JSR Corporation hereby announces that, at a Board of Directors meeting held today, the following leadership change at our group company was approved, effective August 1, 2025.

### Reason for the change

We are pleased to announce this leadership transition as part of our efforts to achieve short- and medium-term business objectives and to support long-term growth. The new appointment reflects our continued commitment to strengthening our management foundation and driving innovation across our operations.

### About Yamanaka Hewtech Corporation

Yamana Hewtech Corporation is primarily engaged in the manufacture and sale of high-purity chemicals used in semiconductor manufacturing. Since joining the JSR Group in 2024, the company has been working to strengthen its business foundation while deepening cooperation with the Group. With the change of president, the JSR Group will take this opportunity to further strengthen its customer support system, further improve quality and strengthen its management system, and position Yamanaka Hewtech's product line as one of JSR's important portfolios to be further strengthened.

And we remain committed to creating social value by providing high quality products to users worldwide for future affluent lifestyles and actively working on social implementation.
